U Booklet

The perfect solution for office based booklet making

Key product features:

- One touch operation
- Produce up to 800 booklets per hour
- Compact design
- Stock weight 64-300gsm

The U-Booklet is a tabletop booklet making machine, that automates stapling / folding documents up to SRA3. Anyone can produce professionally finished booklets and switch between functions with its easy to operate touch screen control panel with a built in LCD counter.

The U-Booklet can produce up to 800 professionally finished booklets per hour and take a variety of stocks from 64-300gsm depending on paper quality.

Thanks to its compact design and small footprint, the U-Booklet fits in any working place such as office, small business, school, copy shop or print shop.
