EZF 100

The perfect entry level desktop folder

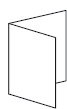

Key product features:

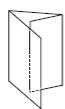

- Noise reduction mode - makes less folding noise
- Thick paper mode - gives bigger folding impact to papers
- Quick mode - fastest folding speed, 14,400 sheets per hour
- Paper weight up to 140gsm (multi fold)
- Paper weight up to 210gsm (single fold)

The EZF 100 is an affordable desktop folding machine covering 6 major folding types for paper weights up to 140gsm (Single fold up to 210gsm). Featuring a noise reduction mode, the EZF 100 can be used in an office with minimal disturbance to co-workers, along with 'standard' and 'quick' modes for larger runs.
