# EZF 200

The perfect desktop folder with roller belt delivery system

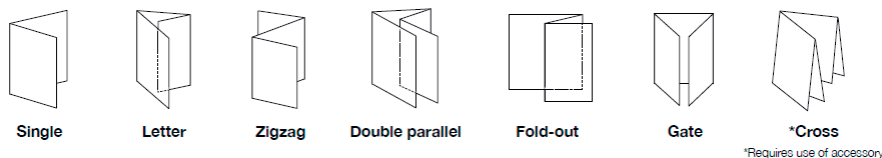

**Key product features:**

- Noise reduction mode
- Thick paper mode
- Quick mode
- Accessories to enable cross fold included
- Paper weight up to 140gsm (multi- fold)
- Paper weight up to 210gsm (single fold)

The EZF 200 is an affordable desktop folding machine covering 6 major folding types for paper weights up to 140gsm (Single fold up to 210gsm). Featuring a noise reduction mode, the EZF 200 can be used in an office with minimal disturbance to co-workers, along with 'standard' and 'quick' modes for larger runs. Also featuring a roller/belt delivery system to neatly deliver your finished documents for ease of stacking.

## EZF-200/100 Paper Folding Types

Please Note: When Cross folding the paper needs to be passed through the machine twice.
